All Tri Delta Transit customers are encouraged to preview the new schedule online at [www.TriDeltaTransit.com](http://www.TriDeltaTransit.com). “We have been alerting our customers and have had schedule previews on our web site since August 23, so they can adequately prepare for the upcoming changes,” said Furnary. Printed schedules will be available on all buses the week of September 24.

In addition to alerts provided online, notice of system changes has been communicated to staff of schools affected by route changes, and alerts have been placed on every bus and at several bus stops. Information is also posted on the agency's mobile app, on multiple social media channels, and traditional media channels including local newspapers.
