Encl: Revised Key Dates

Questions and Answers

Q: Since ECCTA is requiring a 10% bid bond for this project, can ECCTA please provide an engineer's estimate for the project?

A: Yes. However, ECCTA will not have one prepared for a couple of weeks. As such, ECCTA has decided to extend the timeline of this solicitation and has attached a revised Key Dates section to this addendum. A third addendum will be released once ECCTA has received the engineer's estimate.
