Scheduling a Ride

Once you have been notified that you are eligible to use Tri Delta Transit's senior paratransit transportation, call 1-925-754-3060 to schedule a ride. Ride requests may be made one to three days in advance.

When requesting a ride, please give the reservationist the following information:

1. Your name, date of birth, and pick-up address
2. The date and time of the appointment or your preferred pick-up time*
3. The destination address and phone number
4. The preferred return time*
5. The return address
6. If you will be using a cane, walker, service animal or mobility device

* **Remember this is shared ride transportation.** To accommodate as many ride requests as possible, a senior paratransit confirmed pick-up time may be up to one hour before or after the requested pick-up time.

Please also note:

- If your arrival time is important (e.g., doctor appointment), please give the reservationist your appointment time.
- If your arrival time is not an appointment time (e.g., shopping), please give the reservationist the time you prefer to be picked up from your starting location.

The day before your scheduled ride, an automated call, with a confirmed pick-up time, will be made to the preferred number you indicated on your senior paratransit application.

If the message is not clear or is incomplete, please contact the Tri Delta Transit scheduling line at 1-925-754-3060 to confirm your pick-up time.

Ride Cancellation

For all ride cancellations, call the cancellation line at **1-925-706-4382** at least **60 minutes** in advance of your ride time so that we can accommodate other ride requests.

The cancellation line is available 24 hours a day, 7 days a week to record your message.

Please leave the following information:

1. Your name, date of birth, and pick-up address
2. Time and date of all rides to be cancelled including return ride if applicable

Late Cancellation/No Show

If you cancel less than 60 minutes in advance of your ride, you will be marked as a no-show.

Attendants/Companions

Unfortunately, attendants are not allowed on senior paratransit. Anyone riding with the registered para client is considered a companion and is required to pay the same fare as the client.

Being on Time

Once your pick-up time has been confirmed, your bus could arrive anytime within a 30-minute window (either 15 minutes before or 15 minutes after time given).

For example, if your pick-up time is confirmed for 12:30 p.m., you should be ready, and if possible in view of the vehicle, for pick-up from 12:15 p.m. to 12:45 p.m.

Please meet the paratransit driver within **FIVE (5) minutes** of his/her arrival during the 30-minute window.

For example, if your scheduled pick-up time is 7:00 a.m. and the driver arrives at 6:45 a.m., the driver will wait until 6:50 a.m. If you are not ready, you will be marked as a no show.

You will receive an automated call with your confirmed pick-up time the day before your scheduled ride. It is important to listen to the message because, due to rides being shared, your schedule may have changed from the time given to you on the original phone call.

If the message is not clear or is incomplete, please contact the Tri Delta Transit scheduling line at **1-925-754-3060** to confirm your pick-up time.

MAKE SURE YOUR PHONE IS NEAR YOU AND YOUR VOICEMAIL IS EMPTY. Robo-calls for verifying estimated pick up time, imminent arrival, and late arrival notices will come from **925-329-6624**.
Please pick up calls from this number.

Shared Transportation

Senior Paratransit is shared transportation. This means that other passengers may be onboard during any part of a ride and that scheduled pick up times or routes of travel may be altered so another passenger can be accommodated. It is likely that the vehicle will stop and pick up other passengers as it proceeds.

Shared rides lower the cost of senior paratransit transportation.

Mobility Devices and Securement

All Tri Delta Transit vehicles are equipped with a mobility device ramp or lift.

- Passengers using a wheelchair are encouraged to remain in their chairs and wear a lap belt during boarding and exiting and while riding in the paratransit vehicle.
- Passengers using a scooter are encouraged to transfer to a seat during travel and wear a lap belt.
- During boarding and exiting, electric mobility devices are required to be set on the lowest speed or turned off.
- Mobility devices are required to be in good working order and must adhere to ADA requirements/limitations. Maximum size for a mobility device is 30 inches wide and 48 inches long. The maximum combined weight of a passenger and their mobility device is 600 pounds.
- All mobility devices except walkers, canes, and carts must be secured to the bus. All other items must be kept clear of the aisles.

Service Animals and Pets

Service Animals

A service animal is an animal specifically trained to assist you with necessary duties. If you travel with a service animal, you must include this information on your eligibility application. Please let the reservationist know if you will be bringing a service animal when scheduling your ride.

- Animals meeting service animal criteria may board the bus with you at any time.
- While riding in a vehicle, the service animal is required to stay on the floor of the bus and must not block the aisle.
- If your service animal misbehaves, you will be asked to remove the animal from the vehicle. If there are multiple occurrences of misbehavior, the animal's riding privileges may be revoked. Examples of misbehavior include unprovoked growling or attacking passengers, the driver, or other service animals.

Pets

Pets may board the bus with you if your pet is in a pet carrier. For safety reasons, the driver is unable to assist with carrying the pet carrier. Please let the reservationist know if you will be bringing a pet carrier when scheduling your ride.
